Student Accommodation at Hadlow College

Leaving home to live at College is an exciting experience and Hadlow College provides the opportunity to take those first steps of independent living in a supportive and friendly environment.

All full-time land-based students are eligible to apply for accommodation; however, preference is given to those who live a considerable distance from the College.

In addition, course hours are taken into consideration, particularly for those courses that have early morning or late practical duties.

Residential accommodation

Our residential blocks are organised into over and under 18s, with male and female only in the under 18s accommodation. Accommodation is allocated on a priority basis depending on age, distance travelled and nature of course. Students are allocated a room and issued with keys and ID badges/swipe cards on arrival, these allow them entry to their block and room only. All main entrance doors are security locked, and movement is recorded and monitored via the SALTO system.

Each room contains a bed, wardrobe, bedside cabinet (mini-safe), desk, chair and washing facilities.

Communal areas consist of bathrooms, toilets, showers and a kitchen.

All kitchens are fitted with a cooker, fridge, freezer, microwave, toaster, kettle, iron and ironing board.

Food & drink

Half board accommodation incorporates bed, breakfast and dinner for five days a week, Monday to Friday.

Meal times and menus will be displayed in the Restaurant.
