

# Level 5 | Golf Course Manager Apprenticeship

## Apprenticeship Description and Job Overview

**OCT 2024**

A Golf Course Manager, (sometimes employers prefer to title the job Head Greenkeeper) is required to have excellent management skills as well as a high level of technical, agronomic and mechanical knowledge and skills.

A Golf Course Manager is responsible for the management of the golf course, resources and staff, on behalf of their employer. They plan and implement maintenance schedules for the golf course and equipment and are responsible for the allocation of work, recruitment of staff to the greenkeeping team and will implement human resource policies within their team. They will implement strategic and budgetary plans. It is their job to oversee the production of quality playing surface and ensure the course offers a consistent challenge and an enjoyable experience for golfers.

The Golf Course Manager's role can take you wherever the game of is played, from working on a small 9-hole golf course to large internationally renowned facilities, including Championship courses.

This Standard includes the skills, knowledge and behaviours that are required to become a competent Golf Course Manager and reflect the diversity of the occupation.

# Level 5 | Golf Course Manager
